

Charity Match Report Birds Quarry

Stoke AA's second charity match saw us fish Birds Quarry, a new venue for a lot of us. It was a very enjoyable and frustrating day for a few of us with carp cruising on the surface teasing us all.

An early carp of 8lb 9oz and a 1lb 14oz bag of silvers for Chris Norton saw him take first place with a combined weight of 11lb 7oz.

Terry the Toast was in the peg to the left of Chris, and he had a productive day of catching silvers for 7lb 8oz (without cutting his finger).

Third place went to Sam Hinton with an early Tench being the only fish for him at 5lb 7oz, a really nice fish.

Fourth place was taken by Steve Parker with a nice bag of silvers for 1lb 3oz.

Jamie Rich with 15oz took the silvers spot and

Sections went to Lee Tucker and Harry Robert Hebditch.

Well done to everyone that fished the Birds Quarry it was a lovely day for it.

Thank you to HMS Heron Coarse AC for letting us fish the match on their lake and thank you Adam for weighing the fish during and after the match for us. See you all at the next match.

On the day £135 was received for our charity, the running total now being £441 – well done all.

Sam
