

Summerhayes Match Report

23 members attended the match which took place on Longs Lake. The weather looked set fair for the day. Pete from the fishery had telephoned through his recommended pegging for the day and the eagerly awaited draw was made with the usual banter in accompaniment.

For a lot of us this was the first time out at this venue and the whistle couldn't come soon enough. Fishing was patchy with some only managing a few fish. However those that did connect did well; with that golden perennial Dave White coming out well on top with a good bag of carp mostly caught in his nearside left margin from peg 39 totalling 76.05 – well done Dave. Coming up in second spot with a creditable 52.14 from peg 35 was Nick Chedzoy and in third spot was the evergreen Glen Radford finishing with 44.13 from peg 7. A good 14.02 bag of skimmers earned Jake Berkley the best silvers spot.

The framers were:-

1st Dave White	76.05	peg 39
2nd Nick Chedzoy	52.14	peg 35
3rd Glen Radford	44.13	peg 7
4th Nick Payne	34.02	peg 34
Silvers, Jake Berkley	14.02	peg 9

Section A,

Josh Tucker	21.11	peg 11

Section B,

Terence Morgan	29.15	peg 27
----------------	-------	--------

Section C,

Matt Adams	30.10	peg 30

All in all a good day and a big thank you must go to Andy Downton, Jake Berkley and Glen Radford who helped me, the only committee member to turn

out, run the draw, pay the fishery, do the weigh in, collate the winning weights and apportion the monies – thanks guys we couldn't have done it without you.

Finally thank you all for attending and we look forward to seeing you at the next full match, which will be a Rose Bowl/Championship qualifier, at Lands End on 16 May.

Tightlines.
