

Mrs Williams Cup # Points Qualifier

A good start to the day was enjoyed with 13 members tucking in to a hearty breakfast at The Ranch Café & Deli, Parrett Works. Thanks to Kirsty and Paul for opening up at 06.00.

Dave Pope and Bob Newbery did the running draw and with kind permission from the farmer and some sterling work the day before by Dave Simms, John Simms and Cliff Gaylard on the gate entrance we were able to drive in and park up in the corner of the first field. With recent rains the river looked stunning with some flow and colour so all was set.

18 fished and weights were mixed with the favoured pegs predominating. Only 8 ozs separated 2nd, 3rd, 4th and 5th and there were only 10 ozs between 9 of the lower half. Coming out on top however, with 4lbs 7oz and winner of the Mrs Williams Cup was Cliff Gaylard – well done Cliff.
