

Golden Oldies Trinity Waters.

Only seven over 60's signed up for this match but two "under age" members came along to make up the numbers. Breakfast was enjoyed by 5 members and we all met up for the draw at Trinity 08.30. We had the luxury of the whole of Woodland Lake with plenty of space between pegs; 4 on the far bank and 5 on the near bank. The weather was set fair for most of the day with rain forecast late afternoon and the lake had plenty of colour with fish topping. Rob, Dave P, Dave H and Steve the pole were drawn on the far bank with Chris, Derek, Danny, Andy and Toastie on the near bank.

"Golden Oldie" Chris took full advantage of the much fancied peg 31 taking 14 lumps in his 119.06 bag to just scrape in to the top spot. Disappointingly hardly any carp showed up on the far bank with the best weights predominating from the near bank pegs. Dave Hilton did manage a decent bag of silvers though

from 12 including a 4.01 Bream. Also worth a mention, and a good contender for the specimen carp cup, was Andy who landed a good carp of 18lbs 3 ozs in his 68.10 bag. Derek also had a nice mixed bag of carp and quality Bream.

Thanks to those that supported the match particularly the two “juniors” (one of whom will be eligible for next year’s match).
