

Revels Fisheries Match Report

After 11 anglers plus 2 supporting members tucked into a super breakfast at the Airfield Tavern we were all set for the journey to Revels the 2nd points match. After arrival pools were paid we had 23 anglers eager for the draw, I checked in with the shop to confirm the numbers and we had 15 pegged on Main and 8 on Dead tree. The draw took place and I was on Peg 48 on dead tree, I didn't have a clue of what the peg had in store for me! After loading my gear on the trolley I set off to find I was pegged next to Roy "The Lead" Worth, and Steve "The Pole Parker", With Terry, The Grand Wizard and Dave on the opposite bank and Josh and Marco along from Roy. GW sounded the whistle at 10:15. As this was a points match I wanted to catch skimmers so I set up two lines at 13m and one at top 2+2 micros and groundbait with dead and live maggots on the side tray, first put in I had a nice roach on single maggot then a flurry of perch.. Roy was across the far side and hooked a lump only for it to break free with all his end gear swimming off in the distance. I witnessed a few fish being landed but the vibe going around the lakes was it was fishing hard. Maybe the overnight and early morning rain storms had an effect and the fish just weren't in the mood for a munch. Neil Purchase appeared and said that it was slow on the main lake. Roy changed to fish the lead and picked up a few lumps, I had a go on the method much to the laughter of Roy as the big splosh sent ripples across the lake!!!

At the Weigh in it was evident that the lake was fishing hard Roy winning with 18lb 8oz, Chris White 8lb 10oz and Steve Parker 8lb 9oz. My weight was a measly 3lb 2oz

After returning to the car and chatting to the guys it was a similar story over on Main Lake as lots were struggling for bites. The weights on Main Dave Chidzoy 48lb 12oz, Jamie "The Dinosaur" Rich 22lb 13oz and Andy Burns 20lb 2oz, with Mike Goad having an impressive silvers bag on the day of 8lb 9oz.

Well done to everyone another great day with plenty of laughs and Banter

Big Thank you to all who helped with the running of the day, those that helped with weighing in and supporting the Draw.
