This was a club away day with 9 members fishing. We had a 07.45 draw in the Sedges Cafe after a hearty breakfast. The weather was set fine with a brisk wind. Jamie put us on the bank alongside Brick Lake pegs 31 to 40.

For most it was hard going as far as the carp were concerned with most targeting Silvers. Not so for Chris Norton though as he took every advantage of his end peg fishing with feeder and bomb to the end margin bagging 84.10 of carp. Not very often is Dave Chidzoy out of the top 3 and no change here as he was runner up with a mixed bag of carp and Silvers to 62.12. In third place with a good 34.04 silvers bag of mostly skimmers was John Dursley. By default Craig Lyttle took the Silvers spot with a nice 12.00 bag. Craig kindly donated his £20 prize to the club charity, thank you Craig.

We are at Viaduct, Campbell Lake on 27th for our last away day of the year so hope to see you there. Until then,

Tightlines.
